MILESTONE CHALLENGE '09

On October 17, 2009; be a part of an event celebrating the milestones reached by students at the Little Light House. Join us at University Christian School as members of the community run, walk or roll and give in honor of these awesome children. Support LLH by participating in Laps for Little Ones or sponsor an individual child through Struttin' Their Stuff.

Laps for Little Ones

Individuals and businesses are challenged to collect donations and take the track for a one-hour run/walk. This is a "fun" event for all fitness levels (that includes you couch potatoes), and all ages. You are never too young or old to help.

Struttin' Their Stuff

Struttin' their Stuff is a celebration of the LLH students. Each child takes a victory lap around a specially designed "mini-track", celebrating the milestones they have reached and their goals for the future. LLH parents will seek donations weeks beforehand, working together to support the programs that benefit their children.

The Corporate Challenge

Companies, this is a great opportunity to promote community spirit by sponsoring a team in Laps for Little Ones.

Last year groups like Verizon Employees came together to raise thousands to help provide our services. Businesses, churches and civic clubs are challenged to enter a team and raise funds on behalf of LLH.

Making a difference

The Little Light House is a tuition-free Christian Development Center for young children with special needs.

Our multi-disciplinary program includes:

- Special Education
- Physical Therapy
- Field Trips
- Speech Therapy
- Occupational Therapy
- Parent Education and Support

Our greatest desire is to see each child reach his or her full potential. It costs about \$100 per day per child to provide our program.

By adding your assistance, you ensure that the children of the Little Light House

receive all the love and services they need to meet each challenge.

Everyone can take the Challenge! Challenge -noun: anything that calls for special effort or dedication

- Walk or run by yourself or in a group. Call 601-829-3446 or visit www.llhms.org to download the registration form.
